(b) The Grantee shall be required to submit to the Director of Public Works and to the Director of City Planning, a plan accurately showing the proposed location, course and alignment of the proposed pipeline(s), and a written application, which application show the time, manner, means and method of the proposed construction, the particular commodity proposed to be transported through the pipeline(s) and the maximum pressure and maximum temperature under which the same may be pumped or otherwise caused or permitted to flow through any and all of the particular portions of the pipeline(s). Said plans shall consist not only of the plan but also of a suitable profile, accurately showing the location of all cutoff valves relative to the location of all streets or alleys across or along which the proposed pipeline(s) shall be laid. Two copies thereof along with two copies of the application shall be presented to the Director of City Planning and two copies thereof and two copies of the application shall be presented to the Director of Public Works. One of the copies of the plan and profile delivered to the Director of Public Works shall be a producible negative. No construction shall begin until such plans have been reviewed and approved by the Director of Public Works and Director of City Planning.

(c) When found necessary by the City Council or the Director of Public Works, any such lines or other structures shall be lowered, relocated, or removed promptly but not to exceed 180 days upon written request by said Director of Public Works at the sole expense of the Grantee. Any additional cost to the City due to any delay in removal or relocation of such lines shall be paid to the City by Grantee. It is the purpose of this subsection that improvements, changes, and alterations in either existing or future streets, street rights-of-way, water lines, sanitary sewer lines, or storm sewers, shall in no way be hampered, delayed or add additional cost to the City by the lines or other structures of the Grantee.

(d) The grantee shall pay to the City of Pasadena an initial franchise fee in the amount of Three Thousand Five Hundred Dollars (\$3,500.00) per pipeline(s) approved by this Ordinance and shall thereafter pay to said City subsequent fees thereafter in the amount of One Thousand Five Hundred Dollars (\$1,500.00) per such pipeline(s) per year, and all amounts as may subsequently be set by ordinance or otherwise by the City of Pasadena. After payment of the initial fee, all subsequent fees shall be due and payable on December 31st of each subsequent year for the term of the franchise. Advance payment of the franchise fee for more than one (1) year shall not be permitted.

(e) GRANTEE HEREBY RELEASES, ACQUITS, AND FOREVER DISCHARGES THE CITY, ITS OFFICERS, AGENTS AND EMPLOYEES FROM ANY AND ALL CLAIMS, DEMANDS, RIGHTS OR CAUSES OF ACTION OF WHATSOEVER CHARACTER OR NATURE ARISING FROM OR BY REASON OF ANY AND ALL BODILY OR PERSONAL INJURIES, INCLUDING DEATH AND MENTAL ANGUISH, DAMAGE TO PROPERTY AND THE CONSEQUENCES THEREOF WHICH MAY BE SUSTAINED BY THE GRANTEE, HIS EMPLOYEES, OR AGENT(S) AND WHICH ARE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF THE CITY, ITS OFFICERS, AGENTS OR EMPLOYEES.

GRANTEE SHALL KEEP AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, AND EMPLOYEES FROM ANY AND ALL COSTS, LIABILITY, DAMAGE OR EXPENSE OF ANY NATURE AND HOWSOEVER CAUSED, CLAIMED OR RECOVERED BY ANYONE BY REASON OF INJURY TO OR DEATH OF ANY PERSON OR PERSONS OR DAMAGE TO OR DESTRUCTION OF PROPERTY CAUSED BY OR RESULTING FROM THE NEGLIGENCE OF THE CITY, ITS OFFICERS, AGENTS OR EMPLOYEES ARISING IN CONNECTION WITH GRANTEE'S FRANCHISE HEREUNDER. IT IS THE EXPRESSED INTENTION OF BOTH CITY AND THE GRANTEE THAT THE INDEMNITY PROVIDED FOR IN THIS SECTION IS INDEMNITY BY THE GRANTEE TO INDEMNIFY AND PROTECT THE CITY FROM THE CONSEQUENCES OF THE NEGLIGENCE OF THE CITY, ITS OFFICERS, AGENTS OR EMPLOYEES WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, ACTIVE OR PASSIVE. FOR PURPOSES OF THIS INDEMNIFICATION PROVISION, ACTS AND/OR OMISSIONS OF THE GRANTEE'S AGENTS AND EMPLOYEES SHALL BE CONSIDERED THE ACTS AND OMISSIONS OF THE GRANTEE. THE PROVISIONS

OF THIS SECTION SHALL SURVIVE THE TERMINATION, EXPIRATION OR CANCELLATION OF THIS AGREEMENT.

(f) Grantee shall refill and repair with its own contractor or employees all excavations made by it within the right-of-way of any street or alley in the laying, replacing, constructing, repairing, maintaining, operating, and removing of such pipeline(s) or any part thereof, and if after once refilling such excavation the earth within such excavated area settles so as to leave a depression, the Grantee shall make further necessary fills from time to time as ordered by the Director of Public Works or by the City Council. Grantee will repair all portions of any street or alley along which its said lines are laid and place the same in as good a state of repair and condition as they were in at the time of construction, repair or removal was commenced, such repairs to be to the satisfaction of the City Council.

(g) All such work of repairing or refilling shall be done under plans and specifications approved by the Director of Public Works and subject to his approval of the completed work; and any excavation along any such street or alley shall be replaced with materials of the same kind as those removed unless the Director of Public Works approves of some other type of fill or material. All roadway crossings shall be bored. Any excavations within the right of way shall be back filled and compacted in 12" lifts to 95% Proctor density. Grantee shall notify the Director of Public Works before commencing at any time an excavation in any portion of any street or alley and shall not wholly close any street or alley but shall at all times maintain a route of travel along and within such roadway area which shall include any sidewalk area, except that in cases of emergency the Director of Public Works, the Mayor, or the City Council may authorize a temporary closing of any street, alley, or sidewalk in order to take care of any break or leakage in the pipeline(s) if in the opinion of the Director of Public Works, the Mayor, or the City Council such closing is necessary to protect the safety of the public.

(h) If the Grantee fails to commence or thereafter to diligently prosecute any such repair, refilling or other work so required to be done by it within a reasonable time after being notified by the Director of Public Works, the City may cause such work to be done at the expense of the Grantee and may recover all such expenses from the Grantee, together with all costs and reasonable attorneys fees.

(i) The Grantee shall provide the necessary automatic pressure release (cutoff) valves which prevent the flow of the commodity in either direction if there should be any break or rupture within the right-of-way limits of any street or public property. Such valves must meet with the approval of the Director of Public Works.

(j) Grantee shall comply with all requirements of state and federal law governing pipelines transporting hazardous materials including, but not limited to federal regulations concerning inspections, investigations and record keeping. More specifically, Grantee agrees that:

(1) Officers, employees, or agents authorized by the Associate Administrator for Pipeline Safety, Pipeline and Hazardous Materials Safety Administration (PHMSA), upon presenting appropriate credentials, are authorized to enter upon, inspect, and examine, at reasonable times and in a reasonable manner, the records and properties of persons to the extent such records and properties are relevant to determining the compliance of such persons with the requirements of federal statute 49 U.S.C. 60101 et seq., or regulations or orders issued thereunder.

(2) Inspections are ordinarily conducted pursuant to one of the following:

(a) Routine scheduling by the Regional Director of the Region in which the facility is located;

(b) A complaint received from a member of the public;

(c) Information obtained from a previous inspection;

(d) Report from a State Agency participating in the Federal Program under 49 U.S.C. 60105;

(e) Pipeline accident or incident; or

(f) Whenever deemed appropriate by the Administrator, PHMSA or his designee.

(3) If, after an inspection, the Associate Administrator of the federal Office of Pipeline Safety (OPS) believes that further information is needed to determine appropriate action, the Associate Administrator, OPS may send the owner or operator a "Request for Specific Information" to be answered within 45 days after receipt of the letter.

(4) To the extent necessary to carry out the responsibilities under 49 U.S.C. 60101 et seq., the Administrator, PHMSA or the Associate Administrator, OPS may request testing of portions of pipeline facilities that have been involved in, or affected by, an accident. However, before exercising this authority, the Administrator, PHMSA or the Associate Administrator, OPS shall make every effort to negotiate a mutually acceptable plan with the owner of those facilities and, where appropriate, the National Transportation Safety Board for performing the testing.

(5) If a representative of the DOT investigates an incident involving a pipeline facility, OPS may request that the operator make available to the representative all records and information that pertain to the incident in any way, including integrity management plans and test results, and that the operator afford all reasonable assistance in the investigation.

(6) When the information obtained from an inspection or from other appropriate sources indicates that further OPS action is warranted, the OPS may issue a warning letter under §190.205 or initiate one or more of the enforcement proceedings prescribed in §§190.207 through 190.235 of the Code of Federal Regulations.

Furthermore, Grantee agrees that Grantee shall maintain the following records for transmission lines for the periods specified:

(1) The date, location, and description of each repair made to pipe (including pipe-to-pipe connections) must be retained for as long as the pipe remains in service.

(2) The date, location, and description of each repair made to parts of the pipeline system other than pipe must be retained for at least 5 years. However, repairs generated by patrols, surveys, inspections, or tests required by subparts L and M of Title 49, part 192 Code of Federal Regulations must be retained in accordance with paragraph (3) of this section.

(3) A record of each patrol, survey, inspection, and test required by subparts L and M of Title 49, part 192 Code of Federal Regulations must be retained for at least 5 years or until the next patrol, survey, inspection, or test is completed, whichever is longer.

SECTION 3. That the right, privilege, permission, and franchise hereby granted is granted subject to the

The term of this franchise and permit shall be for a period of twenty (20) years from the date of passage of this ordinance, however, the City Council of the City of Pasadena or other governing body reserves the right at all times to change the terms of this ordinance, and if public necessity and convenience should require the removal of these lines, then, in that event, the City Council of the City of Pasadena reserves the absolute right to terminate the rights granted herein. Provided, however, such termination shall be by ordinance and shall not become effective until the Grantee has been given sixty (60) days' written notice by registered mail, addressed as follows:

The fees for subsequent year shall be payable by the transferee under the same conditions as said transfer for the transferor. After consideration of said transfer and the recommendation of the Director of Public Works, the City Council may consider approval by ordinance of the application for transfer. Before any such transfer or attempted transfer shall be valid and have any force or effect it must be approved by City Council. If not approved by the City Council, the transfer or attempted transfer shall be null and void.

SECTION 5. The Grantee shall file its written acceptance, attached as Exhibit "B", of this franchise and permit with the City Secretary of the City of Pasadena within thirty (30) days from the date of passage hereof, and shall be bound by all of the terms and conditions herein. The franchise and permit granted shall commence and inure to the benefit of the Grantee, effective immediately, with the filing of such written acceptance by Grantee. The Grantee shall not commence any work or construction of any type within the right-of-way limits of any street or public property until the final passage and acceptance of this franchise and permit and approval of its completed application and permit by the Director of Public Works. The City Secretary shall give written notice to the Director of Public Works and to the Legal Department upon the final acceptance of this franchise and permit by the Grantee; further provided that like notice be given upon Grantee's failure to accept.

SECTION 6. That Easton Energy Pipelines, LLC understands and agrees that the permit fee specified under this Ordinance is subject to adjustment by the City of Pasadena to conform to a fee which applies generally to pipeline(s) in the City, as specified in a blanket ordinance which is enacted by the City of Pasadena in the future, provided that if Easton Energy Pipelines, LLC, its successors and assigns, is not making sales from the pipeline(s) in the City, the fee shall not exceed an amount calculated to compensate the City for its reasonable cost associated with such pipeline(s) in the City.

Failure to timely apprise City as required by this section shall result, upon approval by the City Council of the City of Pasadena, Texas, in a penalty of \$100 per day for every day the notification is past thirty (30) days after the event causing the change has occurred.

SECTION 8. Grantee acknowledges that failure to pay any fees required by this franchise agreement within thirty (30) days of when due and payable shall result in the possible revocation of this franchise agreement. In addition Grantee agrees that failure to pay any fee amount within thirty (30) days of when due and payable shall require Grantee to pay, in addition to such fee, an amount equal to ten (10) percent of such fee per month until paid, plus all costs of collection including reasonable attorney fees. Layoffs

A loan from the government's Paycheck Protection Program had helped McCann stave off cutting workers. But "without more (government help) on the way and demand not picking up, we had to lay off employees to help save expenses to stay in business."

At face value, the Labor Department's report Thursday indicated that more than 800,000 people are still being laid off each week, a historically huge number — more than in any week during the 2008-2009 Great Recession. Weekly applications for unemployment benefits have long been considered a proxy for job cuts.

But the flood of layoffs during the pandemic recession and the creation of some new jobless-aid programs have overwhelmed state unemployment agencies. A result is that the jobless claims figures the government has been reporting have become an object of skepticism.

"We can't view it as real-time job separation data," said Elizabeth Pancotti, a policy adviser at Employ America, a left-leaning advocacy group, referring to layoffs. "We're still seeing massive overcounting of initial claims."

Some states are still processing backlogged applications from this summer, Pancotti noted. California, for example, stopped accepting new claims for two weeks so it could clear a backlog of 600,000 applications that are more than three weeks old.

In many states, the data for initial jobless claims also includes workers who had been laid off previously, then found temporary work or were recalled temporarily — only to lose their jobs again and reapply for unemployment benefits. These repeat applicants account for roughly half of jobless claims in California, according to the California Policy Lab.

Center, visitors have tried to get around the mask requirement by wearing face coverings made of fishnet and other material with visible holes, something the hospital has dubbed "malicious compliance." People also have shown up with video cameras in an attempt to collect proof the virus is a hoax, said Dr. Phillip Coule, the health system's chief medical officer, who contracted the virus in July and has seen two staff members die.

"Just imagine that while you are caring for your own staff that are dying from this disease, and while you are trying to keep yourself safe, and you are trying to keep your family safe, and you are trying to deal with a disease that such little is known about, and then to have somebody tell you that it is all a hoax after you have been dealing with that all day," he said. "Imagine the emotional distress that that causes."

tion about Valentine's allegation.

Members of Congress launched an investigation of Fort Hood in September after Sgt. Elder Fernandes was found dead on Aug. 25 hanging from a tree in Temple, Texas, months after reporting sexual harassment.

Guillen and Fernandes are among 28 soldiers at the base to have died this year, including five homicides and six suicides, according to Army data. Army Secretary Ryan McCarthy says that based on Fort Hood's average of 129 violent crimes between 2015 and 2019, it has one of the highest violent crime rates among Army installations.

The Associated Press typically doesn't publish the names of sex abuse victims, but two women who said they were sexually assaulted by soldiers at Fort Hood decided to speak on the record to describe what they say is a disturbing culture at the base. Many victims have become connected by sharing their experiences using the hashtag #IAMVANESSAGUILLEN.

"incredible" teacher who valued the work above all.

"I remember the rigor, the wit and the patience that she showed me as a 19-year-old student trying to learn what there was to learn about getting inside the craft of writing poetry," Rankine told The Associated Press on Thursday. You would hand in something and Louise would find the one line that worked. There was no place for the niceties of mediocrity, no false praise. When Louise speaks you believe her because she doesn't hide inside of civility."

Nobel laureates receive a 10 million kronor (more than \$1.1 million) prize and are usually feted at a banquet in December, but the event was canceled this year because of the coronavirus pandemic. On Thursday, her longtime publisher Farrar, Straus & Giroux announced that a new collection, "Winter Recipes from the Collective," will come out next year. A previous work, the career retrospective "Poems 1962-2012," jumped into the top 100 on Amazon.com's bestseller list soon after her Nobel was reported.
