Home and graduated from Klein High School, the University of Houston, and Harvard Law. He rose from humble beginnings to meet with presidents, kings, and queens, yet he never forgot where he came from.

"We didn't always agree politically, but we never took things personally. I've lost a friend, and our community has lost a true public servant. There will never be another Sylvester Turner. He was a dedicated public servant until the end.

"I hope that, in his memory, we all come together and remember that what unites us is far greater than what divides us."

## Crackdown

address to a joint session of Congress on Tuesday night.

Although Trump has not made a trip to the border since his inauguration, the visit of three of his top officials is evidence of the scope of his administration's focus on the issue. He has tasked agencies across the federal government with working to overhaul border and immigration policy, moving well beyond the Department of Homeland Security, the traditional home of most such functions.

Arrests for illegal border crossings from Mexico plummeted 39% in January from a month earlier, though they've been falling sharply since well before Trump took office on Jan. 20 from an all-time high of 250,000 in December 2023. Since then, Mexican authorities increased enforcement within their own borders and President Joe Biden, a Democrat, introduced severe asylum restrictions early last summer.

The Trump administration has showcased its new initiatives, including putting shackled immigrants on U.S. military planes for deportation fights and sending some to the U.S. lockup at Guantanamo Bay in Cuba. It has also expanded federal agents' arrests of people in the U.S. illegally and abandoned programs that gave some permission to stay.

Trump border czar Tom Homan said migrants with criminal records have been prioritized in early efforts to round up and deport people in the U.S. illegally, but he added of other migrants, "If you're in the county illegally, you're not off the table."

"When we find the bad guy, many times they're with others, others who aren't a criminal priority, but were in the country illegally," Homan told reporters outside the White House on Tuesday. "They're coming, too."

Since Trump's second term began, about 6,500 new active duty forces have been ordered to deploy to the southern border. Before that, there were about 2,500 troops already there, largely National Guard troops on active duty orders, along with a couple of hundred active duty aviation forces.

## Cyberespionage rides

Phone numbers listed for I-Soon on a Chinese corporate registry rang unanswered, and I-Soon representatives did not immediately respond to an AP email requesting comment.

A spokesperson for the Chinese Embassy in Washington suggested that the allegations were a "smear" and said, "We hope that relevant parties will adopt a professional and responsible attitude and base their characterization of cyber incidents on sufficient evidence rather than groundless speculation and accusations."

A separate indictment charges two other Chinese hackers in a for-profit hacking campaign that targeted victims including U.S. technology companies, think tanks, defense contractors and health care systems.

I-Soon is part of a sprawling industry in China, documented in an Associated Press investigation last year, of private hacking contractors are companies that steal data from other countries to sell to the Chinese authorities.

Over the past two decades, Chinese state security's demand for overseas intelligence has soared, giving rise to a vast network of these private hackers-for-hire companies that have infiltrated hundreds of systems outside China.

for working families, infrastructure investment, and economic opportunity for all Texans."

"The wisdom, integrity, and strategic vision he brought to public service will continue to inspire generations of Texans committed to building a more just and equitable state," said Texas House Democratic Caucus Chair Rep. Gene Wu.

Turner was born and raised in Houston's Acres Homes, a historic Black neighborhood. He earned degrees from the University of Houston and Harvard Law School before working as a trial lawyer and later founding his own law firm. He was elected to the Texas House in 1988 and served for nearly three decades before being elected Houston mayor in 2015.

"Sylvester never forgot where he came from. So, that will be my memory of him. I also will always remember he could light up a crowd," Whitmire said.
